LB 628, 615

remind him that there are other parts of the state that are in need from time to time. I urge the adoption... or the support for the motion to override, unless, of course, Senator Lamb feels so badly about taking our help that he would like to withdraw it.

PRESIDENT: Is there further discussion on the Lamb motion? If not, the motion is to consider your consideration of the Lamb motion to override that portion of LB 628 concerning the matter that has been under discussion. All those in favor vote aye, opposed vote no. While the Legislature is in session and capable of transacting business, I propose to sign and do sign a certificate saying that a portion of LB 615 concerning the Foster Care Review Board, a line-item veto, has been overridden by the Legislature. We are voting on Senator Lamb's motion to override a line-item veto from LB 615 (sic). Please record your vote if you wish to vote. The Chair will allow 30 seconds for the recording of the vote on the board on this matter of Senator Lamb's motion to override an item that has been vetoed in LB 615 (sic). If you wish to vote, please record your vote. Twenty seconds. The motion is by Senator Lamb to override a line-item veto contained in LB 615 (sic) dealing with a matter of school support in Keya Paha County. The time for the registration if you vote on the board is expired. Do you wish to do anything further, Senator Lamb?

SENATOR LAMB: Mr. President, it is my understanding that it takes 30 votes. Is that correct?

PRESIDENT: Yes, that's correct.

SENATOR LAMB: How many are excused, Mr. President?

PRESIDENT: Three.

SENATOR LAMB: I will ask for a Call of the House.

PRESIDENT: A Call of the House has been requested. I assume we may take in call in votes then.

SENATOR LAMB: Yes.

PRESIDENT: We have to take a vote on whether the House or not comes under Call. Please vote aye or nay. Shall the House come under Call? The Clerk will record.

CLERK: 27 ayes, 0 nays to go under Call.
